Attendance

Tardiness

- Breakfast begins at 8:05 a.m. Students are not allowed on the school grounds before 7:50am due to safety concerns.
 - Students are tardy if they are not in the class by 8:02 a.m.
 - Students who are not in line when the class leaves the gym must report to the office accompanied by an adult to check in and to get a tardy slip before they can be admitted to class.
 - Punctuality in elementary school is the responsibility of the parent.
 - Students should not be left at school more than 15 minutes after the day has ended unless they are participating in the afterschool program.
 - The tardy policy is:
 - 1st time – Verbal warning to child
 - 2nd time – Written warning to parent
 - 3rd time – Contact parent by phone
 - 4th time – Documentation by Special Services Coordinator

★ **Parents of students who are habitually tardy will be reported to the Department of Children and Family Services.**

Absences

- By Louisiana State law, children must attend school 167 days of a 177 day school year in order to be considered for promotion to the next grade.
- If a child has more than 20 unexcused absences, he/she will be retained, regardless of grades.
- An absence is considered excused when a child's absence is due to his/her illness, an immediate family member's illness, death in the family (not more than a week) and absences due to observance of faith-based holidays.

- This excuse can be a physician's statement or a personal handwritten or typed note from parents explaining specific reasons for the absence, the date the child was absent, and the parent's signature.
- This should be done for each absence and must be done within 5 days of the child's absence.
- The absence policy is:
 - 1st time – Verbal warning to child
 - 2nd time – Written warning to parent
 - 3rd time – Contact parent by phone

Distance Learning Policy

In online formats, teachers will actively review student participation and post attendance based on the following student activities:

- ❖ Students log into educational platforms used by Moton Charter School, verified and posted by the teacher.
- ❖ Attendance or viewing of online meetings (Zoom or Google Classroom, etc.).
 - Attendance will be measured by the full day. Attendance in our Distance Learning Program is defined as evidence of “engaging with the assigned material” at least one time per day.
 - Evidence of attendance will be measured in at least one of the following ways (including, but not limited to):
 - Participating in Google Classroom activities.
 - Completing lessons, turning in assignments and/or grading of student content.
 - Online assessment accessed through students Moton Charter School issued accounts.
 - Communicating directly with a teacher within an approved system or application.
 - Google check in forms
 - Assignments submitted that were due on that day
 - Questions to answer on Google Classroom
 - Participation in an online discussion
 - Google Form requesting receipt of assignment or instructions
 - Class participation during the scheduled class time
 - Student participation during scheduled related services
 - Phone call with the teacher or Related Services provider
 - It is expected that parents shall, to the maximum extent possible, ensure that their child participates in the distance learning program.
 - If a student will not be able to participate in any learning activities that day, a parent can email the student’s homeroom teacher and/or call the school.
 - Students who have not logged-in, but have made contact with the school **teacher** or **school** can be marked present when worked is submitted.
 - Students who have technical issues **must contact the school** to receive packets or alternative assignments to be marked present for the days they were unable to log-in.
 - The student will receive an unexcused absence when:
 - ◆ a student does not participate in any part of the learning activities for the day,
 - ◆ or has not checked in with the teacher, and

- ◆ when the student's parent does not contact the teacher.

Operational Rules

School Hours

- ❖ The school day begins at 8:00 a.m. and ends at 3:30 p.m. Breakfast is served before the school day begins from 7:30 a.m. until 7:55 a.m.
- ❖ Students who arrive after 8:02 a.m. should be escorted to the school office by a parent or guardian.
- ❖ Students will be dismissed through the rear atrium that leads to the playground/breezeway area. Parents are encouraged to wait for their children in the breezeway, not in the atrium/stairway area where classes must exit.

Early Dismissal

1. Parents should make doctor's appointments or the like for child(ren) after school ends for the day.
2. Students may not be signed out after 3:00 p.m. as teachers are preparing for dismissal. The office must be notified if someone is sent to pick up a student. The designee receiving the student must be on the emergency record and present a picture ID for the safety of the child.

Emergency Dismissal

- The decision to close a school during the school day comes only from the Board President. Announcements to parents and to the general public will be on SchoolMessenger, radio, and television. Please do not call the school. If parents are not home during regular school hours, arrangements must be made with relatives or neighbors to take care of the children in the event of an emergency early dismissal. The child should be instructed about these plans by parents at the beginning of the school year and then reminded periodically during the year. The school will not be able to allow use of the telephone to get directions during the emergency.

Disaster Plan

- This general information relating to Disaster Preparedness will provide parents with guidelines for holding students in school during emergencies and pupil dismissal during emergencies. Parents should make arrangements to take care of their children if they are unable to pick up the children. Instruct the children about your plans. Unless otherwise notified, students will be

dismissed in the usual manner. When an emergency exists in the vicinity of the school, the Principal/Designee will exercise the best judgment of specific steps, which should be taken to minimize danger to the students and to the school staff until the danger has ceased. Students will never be put in harm's way.

Make-Up Work

- At times, make-up work is needed for children who are recovering at home from extended illnesses.
- Parents should call their child's teacher and the front office to make the necessary arrangements for the make-up work.
- The work can be picked up at the end of the school day, from the child's teacher, not the front office.
- Make-up work will be provided for those students with valid excused absences.
- Students will not be allowed to make up work due to suspensions or expulsions.

Visitors

- ★ For the safety of the students, it is required that all visitors and parents report to the office and sign in. A picture ID must be provided.

Wisdom, Knowledge, and Understanding are the Keys to Success.

- ★ Office personnel will notify the classroom teacher via public address system before a parent goes to the class.
- ★ This is necessary for parents to go to the classrooms.
- ★ When parents sign in they will be issued a badge/pass. If a parent is coming to observe his or her child, read the policy on observations and follow the directions given.

Bus Regulations for Students

- ✧ Be on time; the bus will not wait.
- ✧ Stand on the sidewalk, not in the street, while waiting for the bus.

- ✧ Remain quiet; do not distract the driver.
- ✧ Present written permission from your parents, approved by the principal, to your bus driver to get on or off the bus at a stop other than your assigned stop.
- ✧ Remain seated when the bus is in motion. Sit in the seat assigned to you by the bus driver or aide.

- ✧ Students who do not follow the Bus Regulations for Students may be suspended from the bus and may be denied the privilege of riding.

****If the bus driver determines that a serious safety factor is violated, a discipline report will be submitted and an immediate student-administrator conference will be held. A second report by the driver could result in suspension from riding the bus.**

DRESS CODE

Robert Russa Moton Charter School has a mandatory school uniform policy. Students must wear the designated school uniform every day unless parents are notified otherwise.

The following are dress code requirements:

1. Clothing or wearing apparel will be worn that is modest, not revealing, or suggestive; or that is derogatory in nature.
2. Shorts, dresses and skirts should be at least fingertip length.
3. Students will wear closed shoes that will not slip off their feet. Tennis shoes are acceptable, but they may not make noises, have flashing lights, or have roller skates embedded in the soles.
4. Pants, on non-uniform days, will be worn at the intended waistline and may not include pants worn inside out, rolled, gym-type shorts (unless required for physical education classes), tights/leggings, bathing suit-type shorts, any type of cut-off shorts or cut-up pants. If needed, a belt should be worn to make certain that clothing does not sag.
5. Clothing, on non-uniform days, should not expose the mid-section and/or body below the armpits (cut-offs, tank-tops, cut-up or sleeveless shirts). See through or sheer shirts are not acceptable.
6. Hats, caps or head coverings and sunglasses (unless a doctor's permit is on file) are to be removed upon entering the building.
7. Shirts and blouses on non-uniform days with slogans or pictures must be positive and socially acceptable.
8. Jewelry or accessories should be kept to a minimum to prevent loss and distraction.
9. Coats, jackets, and gloves are to be removed upon entering the classroom.

Dress Code Violations

Specific prohibitions in student dress include the following:

- Exposed undergarments, or undergarments worn as outerwear
- Ornate jewelry/expensive jewelry
- Hair curlers, hair implements, or hair that is not groomed
- Jewelry, buttons, patches with words, phrases, symbols, pictures, or signs that are indecent, profane, swear or suggestive words or are drug or alcohol related
- Cell-phones or telecommunication devices worn on clothing
- Headbands, bandanas, wristbands (gang related clothing)

Due Process (Grievances & Complaints)

- Parents and guardians must recognize that school personnel must enforce school rules and regulations.
- Teaching your child to obey school rules and regulations will help to avoid most unpleasant situations. Remember, the Moton Charter School Family Handbook is published so that parents and students have a guide regarding the school's expectations for student's behavior.
- The rules and regulations apply not only on campus, but **ON THE WAY TO AND FROM SCHOOL**, on school property, in sponsored vehicles (school buses), and while attending all school sponsored events. If a parent or guardian has a complaint or grievance concerning a policy of the school, the following procedure should be employed:
- 1. The parent should put the grievance in writing or may present it orally to the individual staff member.
 2. If the parent feels the complaint is unresolved after Step 1, the parent may request a meeting with the Dean-of-Students.
 3. If the parent feels the complaint is still unresolved after Step 2, the parent may request a meeting with the Principal.
 4. If the parent feels the complaint or grievance is still unresolved after meeting with administration, they should request a meeting a representative of the Moton Charter School Board of Directors (BOD). The BOD of Moton Charter School, Advocates for Innovative Schools, mandates that all students shall be treated fairly and honestly in resolving grievances, complaints, or in the consideration of any suspension or expulsion.

Parent/Teacher Conferences

- ★ If a parent desires a conference with a teacher at any time other than scheduled Report Card Conference days, the parent must call the teacher at school to arrange a time to visit.
- ★ The teacher is not allowed to interrupt instructional time for an unscheduled conference during the school day.

Expulsion Appeals

Any non-minor student, or the student's parent/guardian has the right to appeal the OPSB Student Hearing Officer's determination to the OPSB Superintendent or his/her designee. To appeal an expulsion, the parent/guardian of the student may, within five (5) school days after the decision to expel the student has been made, request that the OPSB review the findings of the OPSB Student Hearing Officer.

The OPSB, in reviewing the case, may uphold, modify, or reverse the decision. Otherwise, the determination of the OPSB Student Hearing Officer shall be final. If the OPSB Superintendent or his/her designee upholds the decision of the OPSB Student Hearing Officer, the non-minor student or student's parent/guardian may appeal the expulsion to the Municipal Court in which the student's school is located within ten (10) days of the OPSB Superintendent's decision. The parish court may uphold, modify, or reverse the decision of the OPSB. Throughout the appeal process, the student must report to their designated alternative school or alternative educational placement.

Parent/guardians have the right to request a due process hearing from the Louisiana Department of Education to appeal any manifestation determination. If the OPSB does not participate in these hearings, the Student Hearing Office will provide parents with the information necessary to request a hearing. The parents/ guardians may be represented by counsel at the due process hearing.
